I have been trying to sent out my Statement and Supplement. To the Mediator and the other party. But this said facility has been rejecting all my legal mail that I have been trying to send out. All because I asked Ms. Hoover who is the P.C. how come she dont do her rounds early so that my legal mail can be sent out on the same day? Because Policy Directive 05.03.118 says Mail that ~~is~~ a prisoner is sending via disbursment that is clearly identified as being to a court, an attorney, or a party to a lawsuit due to pending litigation including initial filing and service of a lawsuit shall be processed as soon as possible. And her reply was I do my rounds when I want to. And that she just be ~~getting~~ to work around that time. What do I expect her to do just start working. After that all my mail was rejected after that I showed her that this was a court order from this court. And that I had a deadline and she rejected it again. And I asked why she keep rejecting my mail. And she stated this is LMF we do things different around here so get use to it. I have wrote the grievance on her and this facility ~~is~~
